

## GoLocalise Sample Script | Charity (Animal)

We really need your help. We are being inundated with abandoned donkeys and horses that need a place to stay and can no longer provide that for them here at our facilities. This is why we are appealing for anyone who can offer land, shelter and a quiet place for these animals.

As winter comes, this situation is only going to get worse. If you can help us out, we would be able to offer training and support for anyone who would like to get involved.

We are looking to find somewhere for these animals to rest and to be able to receive the love and care that they need. Because there are so many coming in right now, we do need the help.

If you think you would be able to help, please do reach out to us at this number or on our website.
