

GoLocalise Sample Script | TV Continuity

Script 1

Well that's it for our coverage of the Olympics on this channel for the day, but for continued coverage of the women's javelin event please move over to our sister channel now. Coming up next, stick around for the 6pm news followed by all the usual drama in our catch-up hour for this weeks' soaps. Then later this evening catch all the sinister goings-on at the Bates Motel in the tonight's movie classic, Alfred Hitchcock's Psycho.

Script 2

If you've been impacted by any issues raised in tonight's programme, you can reach out to specialist support groups using the details displayed on screen now.

Script 3

Well, sadly it looks like we're experiencing a few technical issues there as we seem to have lost picture temporarily. We've got technicians working behind the scenes right now to get this back up and running for you as soon as possible so that we can get you back to your regularly scheduled programming.

P.S. In case you didn't know, here are 5 ways we can help you with your localisation projects...

1. [Voice Overs](#)
2. [Subtitling](#) (with or without burn-ins), plus graphic editing
3. [Text Translations](#) (including VO scripts)
4. [Transcriptions](#)
5. [Studio Rental](#)
