This course has 7 sections and you must work through these in sequence before you can take the assessment at the end of the course.

To begin, click on the Introduction button below…

…

Welcome!

In this section of the course, our CEO will share with you a brief introduction to this module and outline how important Data Protection and Information Security are. They are all of our responsibility, so please make sure you remain up-to-date with these policies. This training is designed to equip you with the knowledge you need to help you keep our data safe and keep information security at the forefront of your mind.

P.S. In case you didn't know, here are 5 ways we can help you with your localisation projects…

1. **Voice Overs**
2. **Subtitling** (with or without burn-ins), plus graphic editing
3. **Text Translations** (including VO scripts)
4. **Transcriptions**
5. **Studio Rental**
